

## KIDS 4 PEACE

Dear kids 4 peace,

My name is Shira Botzer and I went to your camp this year and I had so much fun, I made so many new friends and I learned a lot about teamwork and friendship. It is definitely going to be one of the greatest parts of my summer. I wanted to thank you for setting this camp up and allowing me and everyone else to go for free so that everyone could have this experience.

Kids 4 peace taught me so much about the 3 different religions and I loved going to the synagogue, the mosque and the church. And though I already knew a little bit about each, I learned so much more. It was also great to be able to translate Hebrew to all the people from Israel. Thank you so much for setting up this camp, it was so much fun and I learned so many new things.

In the future I hope to be a "kids for peace" counselor like my brother Tal, so I can watch more kids make friends and grow at kids for peace. I know I grew a lot and I would like to go again to teach kids about peace next time.

Your peace pal,  
Shira Botzer
